

PLAN YOUR JOURNEY

Kindly plan your journey and determine the parking zone that is most convenient for you before arriving at the event venue. Shuttles from the Parking Zone to the Event Venue will be provided.

NOTICE

1. RELA personnel will be deployed to manage traffic and parking at the event site.

We expect large crowds, which may create extra traffic at Persiaran Elmina. We appreciate your cooperation with traffic marshals to ensure a smooth flow. We hope this advance notice provides an opportunity for neighbours and visitors to plan and take alternative routes as needed.
