About Sime Darby Property Berhad

Foreword

Forty years ago in the mid seventies, a rubber plantation in Ulu Kelang known as Hawthornton Estate was developed into Taman Melawati—a residential park targeting the growing middle-income group. With the beautiful backdrop of the Klang Gates Quartz Ridge, Melawati, as it is known today, enjoyed an abundance of nature which quickly became a vast adventure land for the children of Melawati's early residents.

Today, Melawati is coming of age.

Its nature backdrop is becoming more and more mainstream as urbanites become more eco-conscious and support the sustainability agenda. The exodus into the suburbs is slowing down, as city living becomes a more conscious choice amongst the Gen Y's. Accessibility has become just as important as location. All this Melawati has in spades. A township with mature facilities, amenities and services plus convenient accessibility to Kuala Lumpur, it is undergoing an urban redevelopment initiative by Sime Darby Property and is seeing the renaissance of Melawati, transforming this sought after residential enclave into the area's commercial and lifestyle destination.

With its quiet and unassuming but vibrant and dynamic growth, Melawati is heralded as Kuala Lumpur's best kept secret.

Melawati-Kuala Lumpur's best kept secret

The future is exciting for Melawati, the goo-acre township located a mere 15-minutes from KLCC. Launched in the mid-seventies, Melawati was envisioned as a tranquil residential park set against dramatic landscape features at the city limits. As development radiated outwards from the Kuala Lumpur city centre, Melawati has found its potential being realised, becoming a prime location offering easy accessibility to both the city and an increasingly appreciated nature amongst an increasingly eco-conscious community.

Melawati is now a sought after residential enclave with a range of high-end residential developments which include Casa Rimba and 3Residen.

With an increasingly affluent population, Melawati is leading the rediscovery of the Ulu Kelang area and its transformation into an active & vibrant urban lifestyle destination.

Melawati is in the midst of an urban redevelopment initiative with the area earmarked for residential, commercial, retail and lifestyle developments.

Two towers, an unbeatable vista, four choices

The majestic towers offer a total of 528 units comprising four types of layouts. These 1+1, 2, 3 and 4+1 bedrooms apartments come in built ups ranging from about 630 sq ft to 1,500 sq ft. The layouts are especially designed to combine beauty and functionality—spaces that are comfortable, charming and so very stylish.

The flexibility of open plan living, dining and kitchen areas cater to the typical modern urban family lifestyle. These areas flow into ample-sized bedrooms for personal spaces that exude comfort and privacy. Large openings not only create a sense of spaciousness but are also designed to allow for brighter and airier living spaces. A 3-level security system via access card for the main entrance, lobby lift and residences further enhances security for that added piece of mind.

Leveraging on their position as corner units, the unique semi-detached apartments are thoughtfully designed to maximise the best views possible. The ample windows and wide spread balconies give a sense of openness and freedom making residents truly feel like they are living in the sky.

These lifestyle residences enjoy arguably the best views in and around Melawati of both the East and West ridges framing the Klang Gates Lake of the world's longest quartz ridge.

Unobstructed views of Melawati and the surrounding hills complete the relaxing and refreshing experience as you enjoy a host of full serviced condominium facilities, which include a gym, playground, function rooms and barbeque area.

The open-view gym and open roof yoga area allows you to keep active while remaining connected with the surrounding greens. Take power walks or leisurely strolls along the dedicated 200m circuit or simply enjoy a nice afternoon tea at the café — all on the SERINI recreation deck.

Children can have hours of fun at SERINI's very own private playground. A Spice Garden will also awaken your senses.
