Close to Nature

Adjacent to East Residence is the 245-acre Bukit Kiara Park, a reservoir of cool fresh air, soothing workouts, and opportunities to bond with your loved ones.

With this oasis of nature nested in the heart of Kuala Lumpur, it's time to take in the luscious sights and sounds Bukit Kiara has to share.

Breathe in the fresh air and take your time—with the myriad of activities this green wonderland has to offer—from leisurely walks to intense trail biking, there is always adventure around the corner.

With the park in such close proximity, it means that you are only minutes away from the wild beauty of nature—whether to tame the humdrum of everyday life in your mind, or to sweat your daily stress away.

Bringing East Residence interiors to life

For East Residence, the Melinda Looi interior design team drew inspiration from a series of lifestyles and fashion senses to create a few interior themes that would best cater to diverse preferences.

Each carries a distinct mood, aimed at evoking specific sentiments. From clean and modern to tasteful colonial designs, to luxe and extravagant—every interior is tailored to your specific needs and preferences, and to create an expansive, open living space.

Close to the Capital City

Private enough for
space and style

Central
enough for
convenience

Take pleasure in an effortless way of life, where you live right next to the dazzle of Kuala Lumpur, the capital city of Malaysia.

Where home is nestled amidst affluent suburbs, complemented by extensive amenities—from international schools to malls, to healthcare institutions.

Located close to KL Sentral, a public transportation hub, and surrounded by several highways, East Residence enjoys excellent connectivity, and yet still offers a much-coveted privacy from the city bustle.
